## DELIVERY CHARGES – POLICIES & CONDITIONS

- Prices are subject to change without notice.
- Payment of material is required at the time of order (Visa, MasterCard, Debit or Cash).
- Cancelled pre-booked orders that have been paid using Visa, MasterCard or Debit will be subject to a 5% cancellation fee.
- Material calculation is the customer's responsibility; Toemar is not liable for a shortage of or additional material.
- All discrepancies, returns and/or changes to an order must be accompanied by an invoice. Discrepancies and/or damaged products must be reported within 24 hours upon delivery or pick up.
- No guarantee is given on exact product colour/pigment, surface texture, size, thicknesses or the effects of efflorescence.
- Skid products: Minimum \$120 delivery charge (interlocking pavers, patio stones, sod, natural stone, rocks, boulders, etc.) Extra fees are applied where orders are greater than 4 skids, delivery is outside local area, placement of rocks and boulders on private property, product requires an additional pallet for packaging reasons. Additional pallets incur a \$20 deposit, however it is customer responsibility to return

pallets.

- Bulk products: Minimum \$65.00 delivery charge. A \$35 split charge will be applied to orders requiring separation of two products. Handling fees will be applied if additional products are added to bulk orders; the fees will vary based on weight.
- For every skid that requires alteration/customization a \$10 split charge will be applied.
- All products delivered will be placed on the curb line and/or boulevard. Toemar staff will have final say on drop location. Toemar is not responsible for any property damage if permission is granted to deliver on the private property.
- A 25% re-stocking charge is applied to all returned products that are not damaged and/or defective.
- Orders that have been delivered and cancelled by customer are subject to a pick up charge of \$120 (local area price only, prices subject to increase in accordance to distance) plus the applicable re-stocking fees. Skids are required to be in original condition, if skid(s) require re-packing then additional fees will apply.
- Bin rentals are charged for soil/dirt only. Extra fees are applied to additional materials added to the soil/dirt bin.
- Bin rentals used for renovation waste (such as wood or drywall) are charged according to weight. A \$199 flat rate fee will be applied to the bin. Bin contents will be charged at \$99 per metric ton. A credit card must be given.

\*IMPORTANT NOTE: Bulk products are delivered loose and NOT in a bag. If you want a bulk product in bag, please visit gardenbag.ca or speak to our staff for more details

## PRO TIP

### VEGGIE SOIL

is a clay-free mixture of peat loam, sand loam, compost and manure

Excellent for:

- New Flower and Vegetable Beds
- Top Dressing Existing Gardens
- Mixing in Composter

### TOP SOIL

is best used for grading or filling uneven ground

### MULCH

is an organic ground cover, to beautify and protect root systems from frost and drought.

### LIMESTONE SCREENINGS

is most commonly used as base for interlocking pavers and patio stones

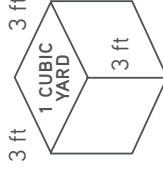

## QUICK METHOD TO CALCULATE HOW MUCH YOU NEED, BY THE YARD

- Works with Topsoil, Sand, Gravel, etc.
- Allow 10% for settling

Using tape measure, multiply...

$$\text{LENGTH (FEET)} \times \text{WIDTH (FEET)} \times \text{DEPTH (INCHES)} = \text{_____} \div 300 = \text{_____ YARDS}$$

- One Cubic Yard is 7 wheelbarrow (4 cu.ft.) or 27 bags (1 cubic foot or 28 litres)

# BIN RENTAL SIZES

4 yard \$249 8 yard \$315 12 yard \$415 25 yard\* \$199

Rental term: 4 days. \$40 for every additional day. \*Renovation waste only:

Base plus \$99 per ton (2 ton minimum)

## MY WORKSHEET

Before you make your order, here's a handy checklist to make sure you have all the information you need:
