

March 21, 2020

Dear Valued Customers,

Due to [mandatory closures](#) to non-essential services within Region of Peel, Toemar Garden Supplies will be closed to the public **effective immediately**.

Having been in this community since the 1970's we value our loyal customers. Our family has taken COVID-19 situation seriously and we know that this step is the most appropriate measure to combat COVID-19 and flatten the curve.

Our first and foremost priority is the health and safety of our staff and community members.

Although our retail location is closed, you can still access our premium "garden goodness" products through our [Garden Bag](#) website where you have the ability to *pre-order* your soil, mulch, and stone orders and organize a future delivery date. We expect to start to deliveries in early April and will be in communication with you (phone or email) to organize the appropriate delivery dates and times.

Rest assured, we will be adhering to all measures as directed and allowed by Peel Public Health. Should anything change, look for our notification through email, [Facebook page](#) or [website](#).

We urge everyone to follow the measures that Peel Public Health has in place and to remain positive during this challenging time. We wish nothing but the best for you and your family during this time.

Should you have additional questions, please contact us via email (info@toemar.ca) or phone [905.826.3821](tel:905.826.3821). We will be sure to get back to you as soon as possible.

Sincerely,

Justin Comarin
Toemar Garden Supplies & Firewood
